'Things Seen' Exhibition

Thank you for the kind invitation to the opening of the 'Things Seen' exhibition which I must say had artwork of the highest standard and if I am honest, you are a little too modest about your skills.

I am sure that the exhibition will be a tremendous success helping to raise essential funds for the Old Low Light Heritage Centre a centre delivering a range of activities and events for community good which would not be possible without volunteers and staff.

Please keep up this excellent work and do not hesitate to contact me if there is anything I can do to help with during my year in office.

I trust that the above is in order any questions please call.

.

Yours sincerely
